CLUB NOTES

POINTS LOST THROUGH NOT TAKING CHANCES

All things considered—early season form upsets and keenness, injuries, and four away games at places so far distant from Preston as Ipswich, Portsmouth, Leyton and Plymouth—there is reason for satisfaction in a points return of six from the first six games played by North End with 11 goals for and against.

It is, at least, an improvement on our start last season, when only five points were gained from three home games and three away (and a defeat to follow). North End scored 11 goals in those first six matches, as now, and conceded 13.

It was our aim, of course, to do better on the recent run of three away games in eight days, involving heavy travelling, and there can be little doubt that we would have collected five of the six points at stake but for troubles of our own making. Two or three cheap goals were sacrificed and easy chances were missed.

The result at Portsmouth, in fact, like that against Birmingham in the preceding home match (3-3) was a travesty of the play. We lost 1-4, yet Portsmouth had much less of the attacking play. The reason they prevailed was that they turned half-chances into goals, whereas we squandered more and better opportunities.

It was much the same at Leyton last Saturday, although North End did not play as well there in attack as at Fratton Park. It needed a fright to rouse the team to a fighting rally in which two more goals by Alex Dawson wiped out a 0-2 deficit in the second half. Again several good openings were not taken.

North End made amends by scoring the only goal at Plymouth on Wednesday, to put on record a third successive win at Home Park. Thus for the first time this season we did not lose a goal, this after forfeiting nine in three games.

CLUB NOTES—*continued*

At Leyton Jim Smith had the misfortune to suffer a broken collar bone and has everyone's sympathy. He joined Dave Wilson on the casualty list. Once more we are getting our share of injuries, though happily not to the same extent as 12 months ago.

Like many other Second Division clubs, our Middlesbrough visitors are fighting for what they consider their rightful place and with good reason. When relegated 11 years ago Borough had spent as many as 37 of 44 League seasons in Division I, including a run from 1902 to 1924.

In fact they were promoted after only three years in Division II on being elected to the League in place of Blackpool just before the turn of the century. Their next spell in lower company also lasted three years. Promoted champions in 1927 they scored 122 goals, George Camsell claiming 57.

This is still a Second Division record. His triumphs recall Borough's knack of finding wonderfully effective centre forwards through the years, such as George Elliott, Andy Wilson, Camsell, Mickey Fenton, and Brian Clough. They are only a few of the great players who have worn Middlesbrough's colours.

Among the best remembered are Alf Common, the first £1,000 transfer in 1905, and later with Preston, Steve Bloomer from Derby County, F. Warren, Williamson, Jacky Carr, Billy Pease, Tommy Urwin, burly Scottish full back "Jock" Marshall, George Hardwick and the delightful Wilf Mannion.

The present manager, Horatio Carter of the silver hair and Sunderland fame, has had a few distinguished predecessors in terms of football renown, namely Peter McWilliam, Herbert Bamlett and David Jack. Wilf Gillow, who was at Deepdale in his playing days, also had a spell in the managerial chair at Ayresome.

WORLD CUP CASH

Eleven months to go before the opening of the World Cup Final Series in England in July, 1966, and already the indications are that it will be among the most successful ever staged.

At a comparable period of the preparations for the last series in Chile in 1962, ticket sales had not begun. Already, however, the World Cup Organisation reports £200,000 in ticket sales safely in the bank.

The interest already shown in the competition from more than 100 countries, not to mention the genuine enthusiasm at home for what will almost certainly be the only occasion the competition will be staged in this country in the lifetime of most of those who will be able to watch it, indicates that intending ticket purchasers should make their applications promptly.

By the time the draw is made in London in January, 1966, and the Groups to which the 16 competing countries will be allocated are known, overseas sales will have reached such proportions that English soccer enthusiasts who have not made up their minds in good time will probably find themselves disappointed in obtaining the grade of tickets they require.

Applications for ten-match season tickets, which include a semi-final, the Third and Fourth Place Final, and the Final, should be made to the World Cup Organisation at White City, London. Applications for season tickets in the lesser categories should be made direct to the grounds where the games will take place.

FOOTBALL ASSOCIATION DIARIES

THE FOOTBALL ASSOCIATION HAS A FEW DIARIES FOR SEASON 1965-66 ON SALE. Applications together with a postal order for 4/6d. should be sent to 22 Lancaster Gate, London, W.2.

OUR VISITORS—*Middlesbrough*

A warm welcome is given to Middlesbrough and their supporters. The two clubs are old friends, League rivalry between them going back to 1892, and this North-East team usually give us a good game. That of last season at Deepdale, also played in September, was a real thriller, North End scraping through by 4-3.

The first meeting of the clubs was in a Cup-tie which the Borough, playing at home, won by 2-1. In three other F.A. Cup clashes, all at Deepdale, the visitors twice claimed the honours. We won by 1-0 in 1909, but twice lost by 0-3, in 1904 and 1927, when centre forward George Camsell let us see he was in his prime.

In the League there have been many attractive matches between the teams with fairly even results. North End's record in these games reads:

	P	*W.*	*D.*	*L.*	*F.*	*A.*	*Pts.*
Home ...	33	18	7	8	59	40	43
Away ...	33	6	8	19	40	62	20
Total ...	**66**	**24**	**15**	**27**	**99**	**102**	**63**

Since the war, the evenness which was a feature of previous meetings has continued. Middlesbrough have won three times at Preston, each time by the odd goal, and North End have had two good wins at Middlesbrough and two draws. Last season we had the satisfaction of a 4-3 home win and a 1-1 draw at Ayresome Park. It was our first point on that ground since we last dropped into Division II.

The home and away record of post-war League engagements is:

Season	*Division*	*Home*	*Away*	*Season*	*Division*	*Home*	*Away*
1946-47	I	0-1	0-2	1953-54	I	1-0	4-0
1947-48	I	2-1	1-1	1961-62	II	4-3	0-1
1948-49	I	6-1	0-1	1962-63	II	0-1	0-2
1951-52	I	0-1	5-2	1963-64	II	2-2	0-3
1952-53	I	3-0	1-1	1964-65	II	4-3	1-1

Played 20, won 8, drawn 4, lost 8; Goals 34-27, points 20.

Among the matches which are well remembered are those in which Tom Finney usually got the better of George Hardwick, England's former left back, and spread

havoc, as he did when this redoubtable pair were in opposition on two occasions at Middlesbrough. In one of these matches (5-2), Tom actually did the hat-trick—his only one for North End—but was credited with two.

That was at his own request after the goal had been given to Ken Horton in the week-end Press. What happened was that the ball was over when enthusiastic Ken applied the final touch, and Tom Finney was content to let it go at that. Three North End hat-tricks, however, have been recorded against Middlesbrough.

They were by Bobbie Beattie in 1948-49, Charlie Wayman in 1952-53 (both at Deepdale) and by Bobby Foster in a 4-0 win at Ayresome Park. There may have been others, since these belong to the post-war period. In last season's home match Godfrey scored two, Smith one and Dawson one from the penalty spot.

Former Deepdale stalwart Harry Mattinson when a Borough player was like Horatius at the Bridge in his defiance of Preston's attack one wintry day. That was when Bill Scott took a fancy to him and Matty rarely let us down. He was a good and dependable servant for many seasons.

Tom Finney turned one game with a terrific shot for a truly spectacular goal and the following season he demoralised Hardwick in inspiring a 6-1 North End win. There was a match about that time when Bill Shankly put the shackles on Wilf Mannion.

OUR VISITORS—*Continued*

In common with several other ex-First Division clubs Middlesbrough have been having a tough time in the new season. A lost point at home to Crystal Palace (2-2) on Saturday was followed by a narrow defeat at Ipswich and the Borough come here still hoping for their first win. The three played at Ayresome Park produced eight goals and three draws. Away, Middlesbrough drew one and lost two, scoring two goals to nine.

MODEST START

Middlesbrough were founded as long ago as 1876 by a group of enthusiasts at a tripe supper" They became a professional club in 1889, reverted to amateur status three years later, and finally adopted professionalism in 1899, whereupon they were elected to the League Division II. In the 1890's there was a rival club known as Middlesbrough Ironopolis, long extinct.

Middlesbrough have never won either the F.A. Cup or the League championship, the club's highest position in the League being third in 1913-14, when Blackburn Rovers were champions and Aston Villa runners-up. George Camsell, Middlesbrough centre forward, created a record for Division II with 59 goals in season 1926-27. Between 1925 and 1939 Camsell scored 325 League goals.

Andy Wilson, who was top scorer in Division I in 1921-22 with 31 goals, George Elliott, another free-scoring centre forward, Jack Carr and England goalkeeper Williamson. The famous Alf Common and Steve Bloomer also played for Middlesbrough. The first £1,000 transfer was Common's transfer from Sunderland to Ayresome Park in 1905.

POLICE NOTICE TO CAR PARKERS

The co-operation is sought of all motorists who attend Football Matches at Preston North End. It is particularly requested that full use should be made of the car parks which are provided.

Indiscriminate parking of motor vehicles in side streets and upon grass verges causes serious obstruction, annoyance to residents and pedestrians, and damage to grass verges. Where side streets are used for parking, this must be on one side only so as to facilitate the free flow of traffic. Cars must not be left in dangerous positions, obstructing road junctions or across garage entrances.

The Police hope that all motorists will comply with this notice. By so doing they will avoid being prosecuted for inconsiderate use of the highway.
